

# Altar Server Application

At Our Lady of Fatima, this liturgical ministry is open to candidates in grades 4 through 12. To be eligible, you should be in grades 4 to 12 and a registered parishioner. You must also have received your First Holy Communion. Serving at God's altar is a privilege and responsibility and needs to be taken seriously. Please take some time to pray about this and then discuss your decision with your parents. If you are interested and would like to learn more about being an Altar Server, please complete this form and return it to your teacher in a sealed envelope marked *Altar Server Application*. Your application will be sent to the Liturgy Office and you will be contacted regarding training and formation sessions.
